Harbor Study Hearing

WEDNESDAY, MAY 12, AT OLD HAMMONDTOWN

Residents of Mattapoisett were handed a document at the annual Town Meeting announcing a hearing with the U. S. Army Corps of Engineers on May 12th at Old Hammondtown School at 7:30 P.M. This hearing is to determine the need or desire of local people for certain engineering projects in the harbor including a breakwater. Since this project could change the harbor for all time, all residents have a stake in the outcome and all should have their interests expressed. That is what the Army is inviting at this hearing.

In 1946 a study was made and the report recommended that a six foot deep anchorage be made at the entrance to Eel Pond and an 8 foot deep channel entrance be made to this anchorage which would cover 1.3 acres. The project was placed on inactive status when town officials said the town would not be able to share in the cost of the project as required. They also stated, according to the report, that hurricane damage made improvement at this location unacceptable. According to the new report, local interests are now proposing more extensive improvements which involve a breakwater. Copies of the U. S. Corps of Engineers re-

port, together with an outline of guide lines to be covered and a map for requested changes, are available at the Town Clerk's office at the Town Hall. The report states that Federal interests will participate in the cost of construction in a percentage which varies from 50% to 100%. The 50% sharing is for construction of benefit to recreational interests.

This hearing is extremely important to all Mattapoissett people and not just those who are asking for these changes. All people, for or against the changes, are invited to attend and express either their arguments either for or opposing such alterations to the harbor. Both oral and written statements are requested. Technical, ecological and environmental data is requested in these statements which will become part of the record of the investigation. Such written material should be submitted in duplicate. Written records will be made available for public examination.

GRANGE HAS PROGRAM ON FISH

Mattapoissett Grange held its bi-monthly meeting last Thursday night with the worthy master Susan LaFleur presiding. Deputy Milton Borden was present to make the annual official visit for the worthy master, C. Wesley Thayer of the Massachusetts State Grange.

Reports on the Home and Community Service work were made by Chairman Olive Gifford. She announced money turned in to take care of the dues of the boys in the service who are members of Mattapoissett Grange. A report was made on the progress of the Fair to be held August 27th and 28th. The Pomona supper chairman reported on the success of the supper held Saturday, April 3rd. She also thanked all who helped in any way.

Through the arrangement of John Atkinson, the lecturer was able to present a most delightful and entertaining evening of the newly organized FISH program in Mattapoissett.

The Rev. Donald Finley served as master of ceremonies. He presented David Peter-

son who sang several songs accompanying himself on the guitar. The story of the FISH program was then given by Mr. Finley who explained the value of it and the help in many ways given to people and the need of people to help carry this on. It is a most interesting project and so very worthwhile was the sideline remarks of the Grange members. Deputy Borden was called on for remarks, and as he left for home he said, "This has been a most unusual evening and you just bet I am going back to Westport and talk about it."

Mr. Finley then presented Mrs. Clayton King and Jackie Bertrand who finished the program with guitar playing and singing in their charming musical manner. Members of the Grange expressed their thanks to this group and to John Atkinson for his help to the lecturer.

Harbor Views

Editorial, D.C.J.

The coming hearing on Mattapoisett harbor changes proposed to be undertaken by the U. S. Army Corps of Engineers is of great importance to all Mattapoisett residents. What must be considered is the total effect that a breakwater could have on the harbor. Not just for boat owners but for all of the people who use the harbor or who enjoy its beauty. Since this study was originated and completed in 1948, many changes have taken place both in the need and the population. A large ramp was built at the wharf some years ago to enable the swift evacuation of boats following a hurricane warning. This has been done many times so that it has been demonstrated that boat loss is no longer the hazard that once was the case. A breakwater would not prevent flooding so that low property along the coast is not involved so far as benefit is concerned.

There is no clear indication of where such a breakwater would be located. Until such proposals are made public, there is no in-

telligent way to consider the impact that they would have on the total interests of the population. Those interests include these: the natural beauty of one of the finest harbors on the coast, the recreation enjoyed by those many people who use the town beach, the possible effect on the beach between the Shining Tides and Good-speed Island which is the town beach of the future, organic effects such as algae growth which already presents a problem at various times during the summer months, the possible effects on shellfishing grounds which could occur from sand shift caused by bottom currents, the possible effect on fishing areas and the annual alewife spawn, a possible loss of the open harbor which

would be of concern to every sailboat owner.

There is not a person in the town of Mattapoisett who would not be affected by a major change in the harbor in one or more ways.

The hearing, therefore, is one of major importance and should be well attended. It is difficult to support or oppose something which has not been revealed but all persons should consider this proposition with great care after it has been brought into the open.

Ecology! Paper Drive

YES, VIRGINIA, THERE IS GOING TO BE A WASTE PAPER DRIVE

Because so many Mattapoisett residents requested it, and because the sensitive subject of ecology is most positively involved, the Fireside Fellowship of the Mattapoisett Congregational Church has agreed to sponsor a Waste Paper Collection Day.

On Saturday, May 1st, members of the Fellowship will be on duty at the "collection van", parked near the Barstow Street driveway of Mattapoisett Center School, to off load any and all paper stuff delivered to the premises. Mattapoisett School's Principal, John R. Moynihan, a devotedly civic minded individual, has sanctioned the use of the Center School property for this Community Clean-up Effort.

Waste paper in any form will be accepted, including magazines and cardboard cartons, etc. For those unable to deliver their ex-

Antique Study Group

GROUP HEARS LECTURE ON GLASS

Thirty members of the Mattapoisett Woman's Club's Antique Study Group met at the home of Mrs. Albert Norlander. Mr. Boyd A. Iseminger of White Island, Plymouth, gave an illustrated lecture on English and American Glass. Slides of his collection of English wine glasses and firing glasses dating back to 1700 were a special feature. Colored slides of glass from Ohio, New Jersey, New York and New England were also explained.

During the last meeting of the year, plans were made to continue the study of the history of Mattapoisett.

Assisting the hostess were Mrs. Manuel Roza, Mrs. Edwin Perkins and Mrs. James Harris.

Minstrel Show

ANNUAL SHOW AT ST. MARY'S CHURCH

A weekend of fun and laughter will prevail on April 24 and 25 when St. Mary's Church, Fairhaven, presents its annual show.

This year's production, produced and directed by Mr. Malcolm Tripp, is entitled "Hell's - A - Poppin Minstrel Show". It will be presented at the Hastings Junior High School in Fairhaven, starting promptly at 8 P.M.

The entertainment has been so scheduled to please all ages. This two and one half hour show will present an excellent chorus, with many fine specialty acts presenting their talents for your approval.

Mr. Fernando Couto is in charge of the refreshments, Mrs. Leo R. Grenon is in charge of publicity and the program, Mrs. Lucine Dlugosinski is ticket chairman, and tickets will be available at the door.

CHARITY BEGINS AT HOME

Here is an occasion when truly "charity begins at home".

When you clean your home this Spring, gather together all the things you haven't used in ages and contribute them to charity -- the Volunteers of America.

This national, social welfare organization is now conducting its annual Spring Salvage Drive. The clothing, shoes, appliances, furniture, housewares and other articles you contribute to the Volunteers will be cleaned and repaired and distributed to

needy families in our community.

For 75 years the Volunteers of America has been giving spiritual and material aid to those less fortunate among us, regardless of race, creed or color. During the course of a year, it helps more than two million people throughout the country.

When you gather together all those eye sores and dust catchers that have always been underfoot, call 994-2113 and the Volunteers will send a truck to your home at your convenience to pick up your donation.

Be charitable this Spring -- as you never have before.

Spring Folk Concert

There will be a folk concert sponsored by the Almitra Coffee House of Mattapoissett for the Citizens' Scholarship Fund. It will be held at the Congregational Church parish hall in Mattapoissett on Friday, April 23rd, beginning at 8 P.M. All proceeds will be given to the Citizens' Scholarship Fund. The group plans to have Janice Cantos, Rick Souza, Carol Chicetto, Ronnie King and Jackie Bertrand. There is something for everyone so come and enjoy!

HARPIST TO BE PRESENTED THIS FRIDAY

Members of the Mattapoisett Woman's Club are reminded to take special notice of the change in the day of the April meeting. Due to problems with Miss Ann-Marguerite Michaud's schedule, and the club's real desire to hear her program, the day was changed from the usual Thursday meeting day to the following day, Friday, April 23rd. There will be a catered luncheon at 12 noon, business meeting about 1:15 and Miss Michaud's program of harp music at about 2 P.M.

Luncheon reservations were closed on April 16th, but members may come after the lunch for the remainder of the meeting, if they do not have reservations.

The executive board held its final meeting of the season on April 15th at the home of Mrs. Roger Morris. It was combination business meeting and fun get together as the board enjoyed a pot luck luncheon.

MSFWC - 79th ANNUAL MEETING

met last Wednesday night in the Grange Hall starting with a quahog chowder supper at 6 P.M. The chowder was a special treat made by Dennis Sylvia.

The committee meeting followed and several reports were given and more plans were made. It is hoped that the people of the town will take advantage of the Saturday project by displaying their hobbies in the dining hall. The chairman of this project is Earle Wilson. It is also hoped you will have some needle work to display on Friday and Saturday, the 27th and 28th of August.

The Grange has received word from the State Agricultural Department approving the premium list and granting the usual co-operation and allotment of prize money.

The standing committee for the Fair is: Mrs. Mildred LeBaron, chairman; Mrs. Susan LaFleur, secretary; Leonard Randall, Dennis Sylvia, Otto Kellish, William Smith, Barry Denham, Mark Harris, Earle Wilson, Walter Vaughan, Mark Breton, assisted by John Field, Joseph Furtado, Mrs. Cora Smith, Mrs. Margarite Vaughan, Mrs. Mary Costa,

Cancer Crusade Night

APRIL 27th, CANCER CRUSADE NIGHT

As Tuesday, April 27th, House-to-House night for Cancer Crusade Volunteers approaches, Thomas Allsopp, State Crusade Chairman, apprises Governor Sargent of the progress. There will be approximately 95,000 volunteers visiting homes in the 351 cities and towns throughout the Commonwealth.

Pamphlets describing cancer's seven warning signals will be left at each house by volunteers who will urge their neighbors to get a physical check-up. "We must impress upon each and every citizen of the Commonwealth the absolute necessity of the physical check-up," said Mr. Allsopp. "We have the ability to control an additional one third of the deaths from cancer through early detec-

tion and prompt treatment," he continued. "That means that over 13,300 Massachusetts people who contract cancer this year could be saved. We must reach this goal," he concluded.

In his discussion with Governor Sargent concerning federal cutbacks to cancer research programs, Mr. Allsopp said, "The Massachusetts Division has committed itself to raising an additional \$600,000 to support cancer research investigators who are without resource because of curtailment of government funds. In all, the Cancer Society expends over \$4,000,000 in Massachusetts to further its programs of research, education and service," concluded Mr. Alsopp.

Mattapoisett volunteer workers are reminded to return their kits to the Town Hall on Tuesday evening, April 27th, between 7 and 10:30 P.M.
